

OTWAY

FLY  TREETOP  
ADVENTURES

MY VISIT

# MY VISIT

What will we do?

We are going Otway Fly  
Treetop Adventures.

It is a place where I can  
look and learn about forests.  
We will also learn about the  
trees and animals from  
the forest.

# MY VISIT

When we arrive

There will be other people at the attraction that I need to share the space with. When we arrive at the attraction, I will stay close to my teacher or parent helper.

# MY VISIT

The Visitors Centre

When I enter the Visitors Centre,  
I will stay with my group.  
I will also use my inside voice.  
If I need to go to the  
toilet, I can tell my teacher or  
parent helper and they will take  
me. When I dry my hands, the  
dryer makes a loud noise.

# MY VISIT

Our friendly staff

There are lots of staff at our attraction who can help answer any questions. If I get lost, I can ask them for help. They wear black and have team member badges. They may also have a radio to talk to other people.

# MY VISIT

## The Treetop Walk

I will be walking through a rainforest and will take care to stay on the path and close to my group. I will also be walking on the Treetop walkway and will be high up in the treetops. If it makes me feel uncomfortable, I will tell my teacher or parent helper.

# MY VISIT

After the walk

After the walk, I will be returning to the visitors centre. If I need to go to the toilet again, I will tell my teacher or parent helper. I will exit the visitors centre with my group.

# MY VISIT

My day

I am going to Otway Fly  
Treetop Adventures and  
I hope I have fun.
